BEST OF BRITISH MUSIC HERMAN'S HERMITS

MIRVAC HOPE ISLAND RESORT PRESENT DIRECT FROM MANCHESTER, U.K.

The mid-60's music scene was dominated by British Acts; three of which became household names – The Beatles, The Rolling Stones and...Herman's Hermits, who are one of the most successful groups throughout the world.

From their beginning in Manchester, England in 1964, the band has chalked up over 23 hit singles, 10 hit albums, 3 major movies and countless television shows and concert tours all over the world – up to date they have total record sales of over 75 million.

Since 1971 and the departure of Peter Noone to pursue a solo career, the group has never stopped. Original

member Barry (the Bean) Whitwan has guided the band from strength to strength. They currently are on a world tour, packing in the audiences at every venue and delighting them with their solid musicianship, vocal ability and dynamic stage presence.

The 'Golden Oldies' still make up a large part of their show, much to the enjoyment of their fans who can't resist singing along to Mrs. Brown You've Got A Lovely Daughter, Silhouettes, Dandy, Henry V111 and others too numerous to mention.

From the Sixties, through the Seventies, Eighties, Nineties and into the 21st Century, Herman's Hermits are still 'Into Something Good'.
