

# COUNT ME IN!

Taking part in BirdLife Australia's Aussie Backyard Bird Count is easy — just follow the steps below to be a part of this nationwide bird survey.

## Download our app OR take part through our website

**App:** search Aussie Bird Count

**Website:** [aussiebirdcount.org.au](http://aussiebirdcount.org.au)

## Select your count location

If you are using a mobile device this will be done for you with GPS.

Hint: Allow your device to 'know your location', and enable wi-fi for more accurate results.

## Start your count

You don't have to have a backyard to take part — you can count birds anywhere! We just ask that each count be completed over a 20 minute period.

## Record your sightings

You can use the app OR the website. It doesn't matter if you're a novice or an expert — enter the birds you know and look up those you don't on the built-in field guide.

## Submit your checklist

Instantly see live statistics on how many people are taking part and the number of birds and species seen right across Australia.

For further information please head to our FAQs page on the website.
